FISCAL YEAR: June 01, 2024 to May 31, 2025

Answer all questions below using the space provided. Do not attach answers as a separate document.

4. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or shared service payments, **pilot** payments, or other types of contracts or agreements. (Example - To provide police services to the Authority, etc. and explain the reason for the transfer (i.e. to balance the County/Municipal Budget, etc.)

Not applicable. There are no such funds included in the 2025 budget.

5. The proposed budget must not reflect an anticipated deficit from 2024 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

The Authority reported a (\$4,755,101) deficit in unrestricted, undesignated net position in its audit report for the year ending May 31, 2023. \$2,268,594 of this deficit is directly attributable to the implementation of GASB Statement No. 68 and \$4,212,894 was attributable to GASB Statement No. 75. The remaining \$1,726,387 unrestricted, undesignated net position was available for use in future budgets as of May 31, 2023. The Authority will continue to pay pension and health benefit invoices as they become due and overtime will eliminate this deficit.

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report. How would these deficits be funded?
